Lowkey Lyrics

"Long Live Palestine 3"

(feat. Maverick Sabre, Frankie Boyle, Ken Loach, Chakabars, Khaled Siddiq & Mai Khalil)

[Frankie Boyle & Chakabars:]

As you prepare your breakfast, think of others
Do not forget to feed the pigeons
As you wage your wars, think of others
Do not forget those who fight for peace
As you pay your water bill, think of others, those who are nursed by clouds
As you return home, to your home, think of others
Do not forget the people of the camps
As you sleep and count the stars, think of others, those who have nowhere to sleep
As you liberate yourself with metaphors, think of others, those who have lost the right to speak
As you think of others far away, think of yourself and say "if only I were a candle in the night"

[Lowkey:]

This is for Palestine, Al-Quds, the capital Jerusalem
Unarmed people marching to the wall and they're shooting 'em
Suppression is a question, resistance is the answer
Long live Palestine, long live Gaza
Palestine, Al-Quds, the capital Jerusalem
Unarmed people marching to the wall and they're shooting 'em
Suppression is a question, resistance is the answer
Long live Palestine, long live Gaza

[Maverick Sabre:]

All you see is war every time you turn your head at night
There's bloodshed on the floor, mother cries, who dies for her this time?
There's truth between these walls
See the lies between the lines they hide
Where's the bullet coming from? From the tyrant dressed in our disguise

[Khaled Siddiq:]

I'mma ride until the end even if I get the push back for all my friends
Cah you know that I'm a fighter, let me see your lighter and we not gon' stop til Palestine is free
But you still know that I'mma ride until the end even if I get the push back for all my friends
Cah you know that I'm a fighter, let me see your lighter and we not gon' stop til Palestine is free

[Maverick Sabre:]

Taught to not love, taught to be blind, taught to not care
Tell me what's real? Borderlines, military despair
How to exist if there's no ways to be human in fear
And if you take away our home
Where's the house supposed to live?
Taught to not love, taught to be blind, taught to not care
Tell me what's real? Borderlines, military despair
How to exist if there's no ways to be human in fear
And if you take away our home
Where's the house supposed to live?

[Mai Khalil & Lowkey:]

Free my people, long live Palestine
We will never let you go
Sing it with me now
Free free Palestine, free free Palestine
Free free Palestine, free free Palestine
Free free Palestine, free free Palestine
Free free Palestine, free free Palestine

[Lowkey:]

If Ibrahim Abu Thuraya could resist without a wheelchair
10 year challenge, tell Regev we are still here
And tell that killer Netanyahu he should feel fear
The old live through us and guarantee the children will care
Criminal, not invincible and you know it
Samidoon, samidoon, still sitting in there stoic
May not feel us with you when you listen to our poems
You inspire humanity, your resistance is heroic
Regardless of talk, it is time we answer the call
Through your strength of spirit, you provide example for all
How to live, how to love when attacked from the clouds above
Loud and clear, the songs you sung can't be drowned by the sound of guns
Or just watch your tragic times through a satellite dish
The least that we can give you is an anthem like this
They panicked, tried to analyse and sanitise this
But we love you more than ever, still Palestine lives

[Mai Khalil & Lowkey:]

Free my people, long live Palestine
We will never let you go
Sing it with me now
Free free Palestine, free free Palestine
Free free Palestine, free free Palestine
Free free Palestine, free free Palestine
Free free Palestine, free free Palestine

[Maverick Sabre:]

No change, no
Run away your way, oh
All the hate you face, oh
Time to change this stadium
No change, no change, no
Run away your way, oh
All the hate you face, oh
Time to change this stadium
No change, no change, no

[Ken Loach:]

Continuing oppression of the Palestinian, encircling of the people of Gaza
Killing of civilians, the burning of bones, the daily oppression, the theft of land
The apartheid system in the West Bank where there are two road systems and I've been and I'm sure you have
And you see the... the Israeli road, you see like a spanking new highway just the settler cars going backwards

and forwards

Then you see the old Palestinian roads

And it clearly... it's people living under two sets of rules, an apartheid system

So all this is being uncovered and the boycotts, and divestment and sanctions campaign which I support and I'm

sure many other people do as a peaceful protest against the Israeli oppression

To poor groups who've got to keep proclaiming the rights of the Palestinians are the right to return

The right to their... erm... the right to their homeland really

And... erm... and the theft of land, Israel is breaking international law, it is breaking the Geneva Conventions
